About the Training:

Techmorph organized by Robotics Club, is 8 days long learning session. First day was about theory and basics about Robots and Robotics. The session was led by Binam Shrestha, a passionate and dedicated robotics learner an aspirant, a CEO of UTHHAN Robotics lab. He shared his personal journey and valueable insights from his experience in the robotics field and his struggles.

What We Learnt:

1. Introduction to Robots and Robotics

2. History of Robots and their evolution

3. Types of Robots (Autonomous, Humanoid, Augmented and Teleoperated)

Other Tools and platforms

1. Familiar with Git and GitHub

2. Documentation tools like LaTeX and Typst
